THE OWNERS

» WE WANT YOU
TO FEEL AS AT HOME
AS WE DO«

Anne and Rolf Coppenrath

A hidden place on a distant island full of magic, with breathtaking views of the Caribbean Sea that you will never forget. The opening of the Skyline Villas Boutique Resort on Providenciales was the dream we built together and the beginning of a new chapter in our lives. Provo, as we islanders affectionately call it, is part of the Turks and Caicos Islands. It promises to slow you down and unwind in very little time. Provo bathes you in glorious sunshine on the most beautiful beaches in the world. Just a moment away, you can enjoy a fabulous meal in any one the islands numerous restaurants. Beware, this island is addictive! With our six villas, located high on the Blue Mountain, we created hideaways that offer our guests what we live and love ourselves: unusual design, a unique atmosphere, noble and beautiful products, sustainability and absolute privacy in the countryside with proximity to the sea. Here you can relax and enjoy the serene nonchalance of the Caribbean.

Welcome to our paradise! Heartily

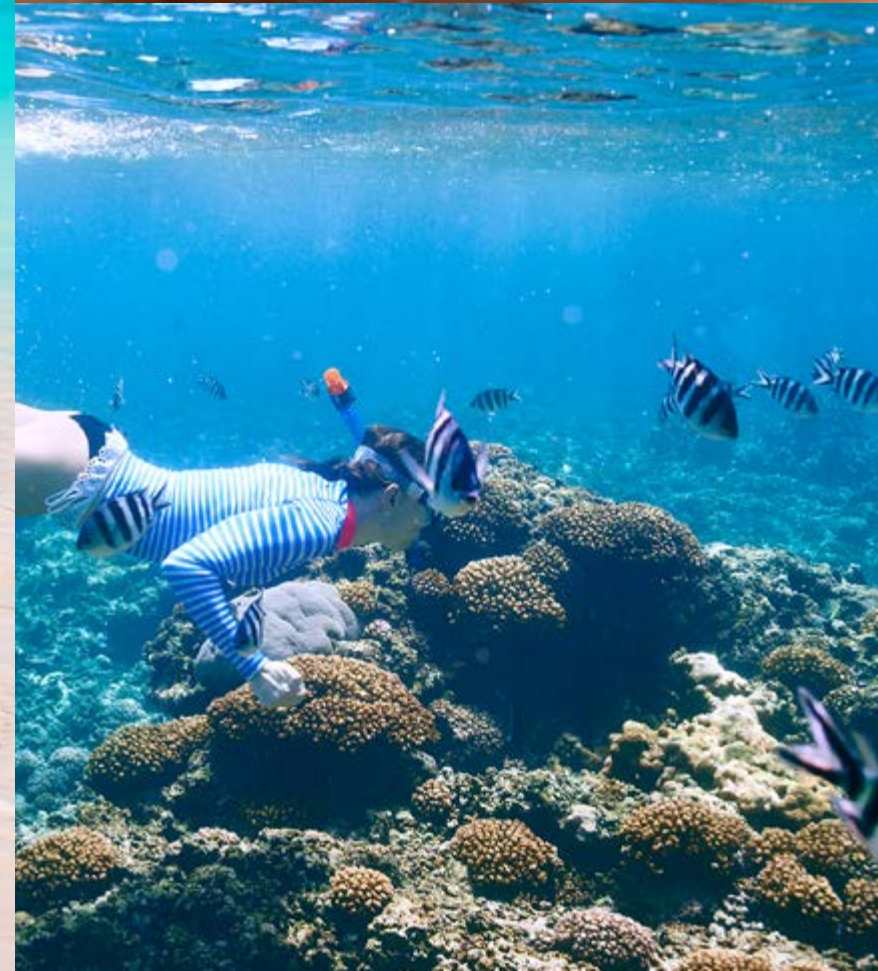

Anne and Rolf Coppenrath

WELCOME TO THE BREATHTAKING ISLAND OF TURKS & CAICOS

Providenciales is a premier holiday destination, offering activities for all ages, and an ideal getaway with many direct flight options.

CULINARY AND NATURE PARADISE

During the day you enjoy the fascinating coral world under water, the fine sandy white beaches and all kinds of opportunities for exciting excursions. In the evenings indulge in an extraordinary food scene, offering an array of options from local markets to upscale restaurants from French, Italian, Japanese and more.

UNIQUE EXPERIENCES

The Turks and Caicos Islands, a British overseas territory, consists of 40 islands and cays. Many of them can be reached by boat from Providenciales for a beautiful day trip. There are no limits to the activities on the island: snorkeling, diving, kiteboarding, horseback riding on the beach, kayaking or golfing – there is something new to experience and discover every day.

JOURNEY

As the map on the left shows, Providenciales International Airport is served by many cities in the US, Caribbean and Europe. A flight from Miami takes no more than 1 hour 15 minutes. From the airport, our private transport will take you on a short ten minutes drive to our boutique resort. Here you will be welcomed at the reception by our Concierge Team. Your vacation will feel like a dream from the moment you land.

GETTING AROUND

Renting a car is the best way to explore Providenciales. If you chose not to rent a car, we are also happy to organize an exclusive chauffeur service at any time.

Providenciales is the westernmost inhabited island of the Turks and Caicos Islands.
